	30 cl / 765 Kč 72 cl / 1540 Kč
Hokkaido pref, -50 % polishing ratio - 16 % alc.	
Samurai Rice Sake from Asahikawa Distillery in Hokkaido has a deep flavor and sharp taste from the use of very pure rice grains. Its consumption is recommended for sake-based cocktails, but also with sushi, sashimi, seafood and salmon tartar.

Eren “Beyond the Wall Sake” – junmai Ginjo	72 cl / 2270 Kč
Tochigi prefecture - 55 % polishing ratio - 15 % alc.	
The Eren Beyond the Wall Sake Collection is a limited edition sake celebrating the manga Attack of the Titans.	
This sake is a Junmai Ginjo (55 %) made with rice of the Gohyakumangoku variety, which produces a very clear and infinitely smooth sake. Eren is the main character of Beyond The Wall. This sake is like the character of Eren, pure and straight. Well balanced between sweetness and dryness, it goes very well with different kinds of dishes.	

La Sea Salt Yuzushu	4 cl / 175 Kč 72 cl / 1950 Kč
Yuzushu literally means “yuzu alcohol” in Japanese. This Sea Salt Yuzushu liqueur is produced by Kitajima Brewery on a sake base, to which fresh yuzu juice and sea salt are added. Founded in 1805 in the village of Hari, Shiga Prefecture, the distillery has been making premium sake for over 200 years. The combination of sake and fresh Japanese yuzu juice creates a remarkable drink with sweet and sour notes. The touch of sea salt softens the acidity and brings out the flavor of the yuzu. Enjoy it neat on ice, with a tonic, or Japanese style with hot water.
